Q.1 Write a program using HTML to produce the following webpage consisting of the following output:-   (12)

Welcome to the Thakur College (Your College Name)

General Information :

Thakur Junior College was established in 1992, by the founding members, with the notion of providing an avenue of learning within easy reach to the growing young population of Kandivali and its vicinity. was a natural augmentation by the Thakur Educational Trust, for the S.S.C. Pass-out students of the various schools as well as Thakur Vidya Mandir. Thakur College had a humble beginning with only 57 students in FYJC first batch of Commerce stream. Its success led to the commencement of the Junior Science stream and the Degree College in 1997 followed by the Post Graduate section in 2002.

The management is committed to continually improve the service quality through
Training and retraining of educationists to enhance the competencies
Improvement in learning resources such as laboratories, library etc
Adopting
