Seminar on Careers in I.T.

Being a Tech Society a seminar was organized on **career awareness in IT** on **February 16, 2017**. It was an inspiring speech by the founder and chief mentor of the institute Mr. Chadha, who is a well-known teacher of mathematics in I.P University and is an expert in mentoring and guiding students to achieve success and clearing the MCA entrances in top universities all over the country. We had a moderate student turnout for the event. It was attended by more than 55 students.

Workshop on Android and Java Programming in collaboration with DUCAT education

A workshop was organized on **Android and Java Programming**. More than 80 candidates who attend this workshop will be issued Certificates by Ducat. Ducat is responsible to bring skilled industry consultants to college sessions. The workshop organized from **February 28, 2017 to March 01, 2017** and attended by more than 80 students provided not only technical students **with hands-on-skill** and made them industry ready but also gave students from all courses and backgrounds with no prerequisite knowledge about any technology a chance to attend programming workshop **and get certified**.
