On November 27, Aaghaaz organized an interview series in Connaught Place: The Heart of Delhi. It was a chain of public interaction with the people of Delhi irrespective of their Gender, Age and Social Status. The main motive was to interview people for Domestic Violence and their response to it.

These were the days when the entire team went on surveys to VOICE IT OUT and Break the Silence. We talked to people on topics like rape, domestic violence, marital rape, and many more such topics. We had surveyed a huge number of people and listening to their experiences we were actually broken at times but these were the days when every member of Aaghaaz got disheartened but became stronger at the same time to do something good for society.

Aaghaaz has conducted its Annual Event from 11th April to 13th April 2022 with full joy and pride. This three day annual event was super exciting and the participants were huge in number.

We had organized a Pride March in which we had more than 50 people who went with us all around the college shouting out slogans. With such beautiful yet insightful posters in their hands and pride in their hearts, the marchers were able to create a great impact.

Our speakers were too polite and knowledgeable, they enhanced our knowledge about equality, empowerment, mental health and many more topics. Their interesting journeys and stories made the session very interactive. The audience was so excited to be part of this type of a speaker session.

The music and dance sessions had a great number of audience members who enjoyed every bit of the session. The musicians were too good and the dancers were a group of 'Mata Sundri Girls' who gave a classy bhangra performance!

Manasvini 5.0 was attended by approximately 200 people who danced and had a great session with our speakers. This session ended with Donation Drives, motivational speakers, LGBTQ+ speakers, Artists and Band. The event was organized to embrace womanhood & respect all genders.

Aaghaaz organized an E-talk session on 25th and 26th of October 2021. Approximately 150 people participated in it.

The theme for the session was Breast cancer. Since there is very little awareness around this subject, we tried our best to educate as many people as we could about breast cancer.

We invited Dr. Akriti Gupta, Dr. Vaishali Zamre, Dr. Aditi Chaturvedi, and Rachna Chhachhi as our guest speakers. They graced our event with their presence and insights.

They talked about the need to spread awareness regarding Breast health, and care for breast cancer survivors. We were also made aware of the products and services to be provided to survivors. Breast hygiene and health is a very important subject which needs to be addressed. This session was quite successful at educating our participants about breast cancer.

It was a very insightful and informative session.

Aaghaaz organized a donation drive event called Atiyah on 5th September 2021.

At a time when COVID cases were at their peak, Aaghaaz members came out as warriors and courageously participated in heavy numbers.

They distributed things like clothes, masks, sanitary pads, books and much more important material among the underprivileged section.

They also did a session to educate them about COVID protocols and menstrual hygiene. Members also interacted with them and asked about their daily life struggles. Spending a day with them definitely impacted the mindsets of our members positively.
